RE: CleanBC – Organics Funding Program

I, [authorized signatory full name], [authorized signatory position title] for the City of Courtenay, hereby certify that the following is a true copy of the resolution adopted by City of Courtenay at its meeting held on January 15, 2025 regarding the CleanBC – Organics Funding Program funding application for City of Courtenay Automated Collection Service.

THAT based on the January 15, 2025 staff report “Clean BC Organics Funding Program”, Council direct staff to submit an application for the City of Courtenay Curbside Organics Carts through the February 2025 intake of the CleanBC – Organics Funding Program; and

THAT City of Courtenay Council supports the project and commits its one-third share of eligible project costs of \$1.5M including any ineligible costs and cost overages of the project, from the 2023/2024 launch of the program. The source of one-third share of eligible project costs will be from utility fees collected.
