10.24 Despite section 10.23, the *building official* may refuse to issue a *permit* when the *owner* has been notified of a violation of this bylaw about the construction of another *building* or *structure* by the *owner*.

Compliance with the *Homeowner Protection Act*

10.25 If the application is in respect of a *building* that includes, or will include, a *residential occupancy* governed by the *Homeowner Protection Act*, the *building permit* must not be issued unless the *owner* provides evidence under section 30(1) of the *Homeowner Protection Act*, that the proposed *building*

The transfer or assignment of a *building permit* is not an extension of a *building permit*.
- 10.31 The review of plans and supporting documents and the issuance of a *building permit* do not prevent the *building official* from subsequently requiring the correction of errors in the plans and supporting documents, nor do they prohibit the City from prohibiting *construction* or *occupancy* being carried on that violates this or another bylaw.

Inspections

- 10.32 If a *registered professional* provides letters of assurance in accordance with this Part, the City will rely solely on *field reviews* undertaken by the *registered professional* and the letters of assurance submitted pursuant to this bylaw and the *building code* as assurance that the *construction* substantially conforms to the design, plans and specifications and that the *construction* complies with the *building code*, this bylaw and other applicable enactments respecting safety.
- 10.33 Despite section 10.32 of this Part, a *building official* may attend the site from time to time during the course of construction to ascertain that the *field reviews* are taking place and to monitor the *field reviews* undertaken by the *registered professionals*.
- 10.34 A *building official* may attend periodically at the site of the *construction* of *simple buildings* or *structures* to ascertain whether the work is being carried out in substantial conformance with the *building code*, this bylaw and any other applicable enactments concerning safety.

10.36 A *building official* will only carry out an inspection under section 10.35 if the *owner* or the *agent* has requested the inspection in accordance with this bylaw.

10.37 Despite the requirement for the *building official's* acceptance of the work outlined in section 10.35, if a *registered professional* provides letters of assurance, the City will rely solely on *field reviews* undertaken by the *registered professional* and the letters of assurance submitted pursuant to this bylaw as assurance that the aspects of the construction referenced by those letters of assurance substantially conform to the design, plans and specifications and that the construction complies with the *building code*, this bylaw and other applicable enactments respecting safety.

10.38 For work in respect of *complex buildings*, the *owner* must

- (a) give at least 48 hours' online or written notice to the City when requesting a preconstruction meeting with the *building official* prior to the start of construction, and the *owner* or their representative must ensure that the *coordinating registered professional*, the *constructor*, as well as representatives of major trades, are in attendance;

- 10.40 The *coordinating registered professional* may request, in writing, that the *building official* order the immediate suspension or correction of all or a portion of the *construction* on a *building* or *structure* by attaching notice of a stop work order in the form prescribed by the *building official* on the premises. The *building official* must consider such a request and, if not acted upon, must respond, in writing, to the *coordinating registered professional* and give reasons.
- 10.41 If a *registered professional's* services are terminated, the *owner* must immediately stop any work that is subject to their design or *field review* and the *building official* is deemed to have issued a *stop work order*.
- 10.42 The *owner* must immediately, after the posting of a *stop work order*, secure the construction and the lands and premises surrounding the construction in compliance with the safety requirements of every statute, regulation or order of the Province or of a provincial agency and of every applicable bylaw of the City.

- 10.46 If a notice is posted under section 10.45, the *owner* of a parcel on which a Do Not Occupy Notice has been posted, and every other person, must cease *occupancy* of the *building* or *structure* immediately and refrain from further *occupancy* until all applicable provisions of the *building code* and this bylaw have been substantially complied with and the Do Not Occupy Notice has been rescinded in writing by a *building official*.

Inspection and Other Fees

- 10.47 In addition to the fees required under other provisions of this bylaw, the *owner* must pay the non-refundable fee set out in Appendix A for

 - (c) inspection required under this bylaw which cannot be carried out during the City's normal business hours.

Permit Expiration

- 10.48 Every *permit* is issued on the condition that the *permit* expires and the rights of the *owner* under the *permit* terminate if:

10.54 If a *building permit* application or *permit* is cancelled, and construction has not commenced under the *permit*, the *building official* must return to the *owner* any fees deposited under Appendix A, less

- (a) any non-refundable portion of the fee; and
- (b) 15% of the refundable portion of the fee.
