MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian Public Sector Accounting Standards and are outlined under “Significant Accounting Policies” in the notes to the financial statements, and the integrity and objectivity of these statements are management’s responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council of the City of Courtenay is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian Public Sector accounting standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation’s system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of the Corporation of the City of Courtenay:

Adam Langenmaier, BBA, CPA, CA
Director of Financial Services
June 16, 2025

To the Mayor and Council of the City of Courtenay:

Opinion

We have audited the consolidated financial statements of the City of Courtenay (the "City"), which comprise the consolidated statement of financial position as at December 31, 2024, and the consolidated statements of operations, net financial assets and cash flows and related schedules for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2024, and the results of its consolidated operations, change in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information, consisting of an annual report, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**THE CORPORATION OF THE CITY OF COURTENAY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024**

PAGE 1 OF 15

The Corporation of the City of Courtenay ("the City") was incorporated in 1915 under the provisions of the British Columbia Municipal Act. Its principal activities are the provision of local government services to the residents of the Municipality.

1) SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Presentation

It is the policy of the City to follow Canadian public sector accounting standards and to apply such principles consistently. The consolidated financial statements include the operations of General, Water Utility, Sewer, Capital, and Reserve Funds. Transactions between these funds have been eliminated on consolidation. The consolidated financial statements have been prepared using guidelines issued by the Public Sector Accounting Board of CPA Canada. The financial resources and operations of the City have been consolidated for financial statement purposes and include the accounts of all of the funds and equity in tangible capital assets of the City. As part of the supplementary information, the resources and operation of the City are segregated into various funds for accounting and financial reporting purposes, each being treated as a separate entity with responsibility for the stewardship of the assets allocated to it.

b) Revenue and Expense Recognition

Expenses are recorded in the period in which the goods or services are acquired and a liability is incurred.

Amortization is based on the estimated useful lives of tangible capital assets.

Following are the types of revenue received and a description of their recognition:

Taxes for Municipal Purposes are recognized in the year levied.

Sale of Services and Revenue from own Sources are recognized when the performance obligation has been satisfied, provided the amount can be estimated and collection is reasonably assured.

The City recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the City recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Contributions are recorded when the event giving rise to the contribution occurs.

DCC Revenue is recorded in the year that it is used to fund a capital project and has been authorized by bylaw.

c) Accrued Payroll Benefits

Earned but unpaid vacation is fully accrued and recorded in the consolidated financial statements. Post employment benefits are accrued and recorded in the consolidated financial statements. This amount is provided by an Actuary that the City has engaged.

**THE CORPORATION OF THE CITY OF COURTENAY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024**

PAGE 2 OF 15

1) SIGNIFICANT ACCOUNTING POLICIES (continued)

d) Use of Estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Accounts Receivable are stated after evaluation of their collectability. Post employment benefits are calculated by an Actuary. Amortization is based on the estimated useful lives of tangible capital assets. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the City of Courtenay is responsible for. Asset retirement obligations are estimated based on the best information available related to the costs associated with retiring, decommissioning or otherwise removing an asset from productive service. These estimates and assumptions are reviewed periodically and as adjustments become necessary, they are reported in earnings in the periods in which they become known.

e) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

f) Inventories

Inventories are valued at the lower of cost and replacement cost.

g) Tangible Capital Assets

Tangible capital assets are recorded at cost, net of capital asset disposals, write-downs and amortization. Tangible capital asset expenditures exceeding the following thresholds per major category are capitalized. The average useful life is applied straight line to calculate amortization.

Major Asset Category	Threshold	Average Useful Life
Land	\$1	Indefinite
Land Improvements	\$10,000	Varies from 10 to 40 years
Building	\$10,000	Varies from 25 to 60 years
Vehicles, Machinery/Equipment	\$5,000 to \$10,000	Varies from 5 to 25 years
Engineering Structures		
Roads	\$5,000 to \$50,000	Varies from 10 to 60 years
Water	\$5,000 to \$10,000	Varies from 8 to 80 years
Sewer	\$10,000	Varies from 8 to 60 years
Other – Includes Storm	\$10,000	Varies from 25 to 75 years
Capital Leases	\$10,000	Over the life of the lease
Other Tangible Capital Assets (includes IT software)	\$5,000	5 years

THE CORPORATION OF THE CITY OF COURTENAY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

PAGE 3 OF 15

1) SIGNIFICANT ACCOUNTING POLICIES (continued)

g) Tangible Capital Assets (continued)

Carrying costs directly attributable to the acquisition, construction or development activity, excluding interest costs, are capitalized to the point in time the asset is substantially complete and ready for use. Contributed tangible capital assets are recorded at their fair value on the date of contribution. Assets under construction are not amortized until the asset is in use.

h) Financial Instruments

The City of Courtenay recognizes its financial instruments when the City becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at fair value.

At initial recognition, the City may irrevocably elect to subsequently measure any financial instrument at fair value. Courtenay has made such an election during the year.

The City subsequently measures investments in equity instruments quoted in an active market and all derivative instruments, except those that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, at fair value. Fair value is determined by published price negotiations. Transactions to purchase or sell these items are recorded on the trade date. Net gains and losses arising from changes in fair value are recognized in the statement of remeasurement gains and losses. Interest income is recognized in the statement of operations. Investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost. With the exception of those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost using the effective interest rate method.

Transaction costs directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in operating annual surplus. Conversely, transaction costs are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

All financial assets except derivatives are tested annually for impairment. Any impairment, which is not considered temporary, is recorded in the statement of operations. Write-downs of financial assets measured at cost, and/or amortized cost, to reflect losses in value are not reversed for subsequent increases in value. Reversals of any net measurements of financial assets measured at fair value are reported in the statement of remeasurement gains and losses.

The City of Courtenay has not presented a statement of remeasurement gains and losses as it does not have any items giving rise to remeasurement gains (losses).

i) Debt Charges

Interest payments are charged against current fund balances in the period they become payable and have been accrued to December 31, 2024. Actuarial adjustments are offset against interest charged. Principal payments are applied directly to loan balances in the period they accrue.

**THE CORPORATION OF THE CITY OF COURTENAY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024**

PAGE 4 OF 15

1) SIGNIFICANT ACCOUNTING POLICIES (continued)

j) Receivables

Following is a breakdown of receivables outstanding at December 31, 2024 with 2023 comparatives:

	<u>2024</u>	<u>2023</u>
Federal Government	\$ 177,495	\$ 164,050
Provincial Government	405,348	317,156
Regional and other Local Governments	272,497	653,512
Property Taxes	1,734,418	1,262,714
Other	<u>2,557,614</u>	<u>1,846,363</u>
Total Receivables	<u>\$ 5,147,372</u>	<u>\$ 4,243,795</u>

k) Accounts Payable

Following is a breakdown of accounts payable and accrued liabilities outstanding at December 31, 2024 with 2023 comparatives:

	<u>2024</u>	<u>2023</u>
Federal Government	\$ 3,583,879	\$ 2,948,061
Provincial Government	1,056,783	705,436
Regional and other Local Governments	967,769	526,624
Employee Retirement Benefits (Note 12)	1,424,300	1,343,900
Trade and accrued liabilities	<u>4,892,721</u>	<u>4,652,257</u>
Total Accounts Payable	<u>\$ 11,925,452</u>	<u>\$ 10,176,278</u>

l) Liability for Contaminated Sites

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when; contamination exceeding an environmental standard exists, the City of Courtenay is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at December 31, 2024.

At each financial reporting date, the City of Courtenay reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period when revisions are made. The City of Courtenay continues to recognize the liability until it is settled or herwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

1) SIGNIFICANT ACCOUNTING POLICIES (continued)

m) Asset Retirement Obligations

A liability for an asset retirement obligation is recognized at the best estimate of the amount required to retire a tangible capital asset (or component thereof) at the financial statement date when there is a legal obligation for the City to incur retirement costs in relation to a tangible capital asset (or component thereof), the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available at December 31, 2024.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset (or component thereof). The asset retirement cost is amortized over the useful life of the related asset.

At each financial reporting date, the City reviews the carrying amount of the liability. Changes to the liability arising from revisions to the timing are recognized as an increase or decrease to the carrying amount of the related tangible capital asset.

The City continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

n) Capital Leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the City are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the City's rate for incremental borrowing or the interest rate implicit in the lease.

All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

2) CHANGE IN ACCOUNTING POLICY

a) Revenue Recognition

Effective January 1, 2024, the City adopted PS 3400 *Revenue* issued by the Public Sector Accounting Board. The standard provides guidance on recognizing revenue based on performance obligations. It distinguishes between transactions with and without performance obligations, with revenue recognized when obligations are satisfied or when the entity has the authority to claim or retain economic resources and a past event that gives rise to a claim of economic resources has occurred.

This standard has been applied prospectively, and prior periods have not been restated. The adoption of PS 3400 has not had a significant impact on the organization's financial statements, as revenue recognition practices were already aligned with the new standard.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024**

PAGE 6 OF 15

3) CONTINGENT LIABILITIES AND COMMITMENTS

- a) Regional District debt is, under the provisions of the Local Government Act (Section 836), a direct, joint and several liability of the District and each member municipality within the District, including the Corporation of the City of Courtenay. Readers are referred to the Comox Valley Regional District 2024 Audited Financial Statements for specific information and detail.
- b) Principal repayments on long-term debt in each of the next five years are estimated as follows:

2025	843,732
2026	780,099
2027	675,542
2028	366,336
2029	366,336
	<hr/>
	\$ 3,032,045

- c) The Municipality is obligated to collect and transmit the tax levies of the following bodies:

Provincial Government – Schools
Comox Valley Regional District
Comox-Strathcona Regional Hospital District
Municipal Finance Authority
British Columbia Assessment Authority
Vancouver Island Regional Library
Downtown Courtenay Business Improvement Area

These levies are not included in the revenues of the Municipality.

- d) As at December 31, 2024, there existed outstanding claims against the City. These claims have been referred to legal counsel and to the City's liability insurers. It is not possible to determine the City's potential liability, if any, with respect to these matters. Management has determined that any potential liabilities arising from these outstanding claims are not significant.

4) PENSION LIABILITY

The employer and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2023, the plan has about 256,000 active members and approximately 129,000 retired members. Active members include approximately 45,000 contributors from local governments.

4) PENSION LIABILITY (continued)

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2021, indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2024.

The City of Courtenay paid \$1,314,339 for employer contributions to the plan in fiscal 2024.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

5) HOST FINANCIAL ASSISTANCE AGREEMENT

The City of Courtenay is a host community for a casino gaming facility operated under agreement with the British Columbia Lottery Corporation. The City receives a percentage of the net gaming income generated by the Chances Courtenay Gaming Centre to be used for public benefit through a quarterly unrestricted transfer from the Province of British Columbia.

6) CANADA COMMUNITY BUILDING FUND

The City received transfers of Canada Community Building Fund (CCBF) through the Union of BC Municipalities. The use of the funding is established by a funding agreement between the local government and the Union of British Columbia Municipalities. Funds may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements.

The City of Courtenay received the first contribution of CCBF in 2005 and reports the balance in a General Fund Reserve – New Works Canada Community Building Fund (Schedule 2) until it is used to fund the specified projects outlined in the funding agreement. Interest is accrued and allocated monthly to the balance.

6) CANADA COMMUNITY BUILDING FUND (continued)

Following is a schedule of CCBF receipts and disbursements received in 2024 with comparatives to 2023.

	<u>2024</u>	<u>2023</u>
Opening Balance of Unspent Funds	\$ 2,265,143	\$ 2,069,886
Additions:		
Amounts Received During the Year	1,357,484	1,235,824
Interest Earned	107,534	108,069
Deductions:		
Amount Spent on Projects	<u>(1,499,873)</u>	<u>(1,148,636)</u>
Closing Balance of Unspent Funds	<u>\$ 2,230,288</u>	<u>\$ 2,265,143</u>

7) GROWING COMMUNITIES FUND

The Growing Communities Fund (GCF) was provided to local governments to assist with increasing the local housing supply with investments in community infrastructure and amenities. The GCF may be used towards one-off costs needed to build required infrastructure and amenities rather than funding ongoing or operational activities. These funds are to be incremental to currently planned investments and should accelerate the delivery of capital projects. The GCF provided a one-time total of \$1 billion in grants to all 161 municipalities and 27 regional districts in British Columbia.

The City of Courtenay received \$7,655,000 in March 2023 and reports the balance in a General Fund Reserve – Growing Communities Reserve Fund (Schedule 2) until it is used to fund eligible costs. Interest is accrued and allocated monthly to the balance.

Following is a schedule of the GCF receipts and disbursements received in 2024 with comparatives to 2023.

	<u>2024</u>	<u>2023</u>
Opening Balance of Unspent Funds	\$ 7,763,486	\$ -

9) TRUST AND ENDOWMENT FUNDS

The Cemetery Perpetual Care Fund has been assigned to the City to be administered as directed by statute. The City holds the assets for the benefit of, and stands in fiduciary relationship to, the beneficiary. Following is a summary of the financial position and activities for 2024 and 2023, which has been excluded from the City's consolidated financial statements.

CEMETERY PERPETUAL CARE FUND FINANCIAL POSITION			CEMETERY PERPETUAL CARE FUND FINANCIAL ACTIVITIES

10) DEFERRED REVENUE – OTHER

Other Deferred Revenue recorded in the Liability section of the City's Consolidated Financial Statements consists of the revenues related to business license revenue levied and Government transfers received prior to revenue recognition criteria being met. Following is a breakdown of the change in this balance for 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Opening Balance	\$ 3,278,368	\$ 2,255,353
Additions to Deferred Revenue	3,083,642	3,278,368
Revenue Recognized	(3,258,988)	(2,255,353)
	<u> </u>	<u> </u>
Ending Balance Deferred Revenue Other	<u>\$ 3,103,021</u>	<u>\$ 3,278,368</u>

11) MFA DEBT RESERVE FUNDS

The City secures its long term borrowing through the Municipal Finance Authority. As a condition of these borrowings a portion of the debenture proceeds are retained by the Authority as a debt reserve fund. These funds are not reported in the financial statements as they are eliminated upon consolidation. As at December 31, 2024 the City had debt reserve funds of \$304,042 (\$340,109 in 2023).

12) EMPLOYEE RETIREMENT BENEFIT LIABILITY

Employees with 10 years of continuous service retiring under the terms of the Municipal Superannuation Act are entitled to a payout of up to 72 days of their accumulated unused sick leave bank and up to a maximum of 8 additional severance days for each year of service in which the employee used no sick leave. Additionally, upon death of the employee, the bank, up to a maximum of 72 days, will be payable to the employee's life benefit beneficiary. The value of this liability is calculated by an Actuary engaged by the City and reflects the likelihood that all eligible City employees will become entitled to this benefit. Actuarial valuation assumptions for 2024 were based on an interest (discount) rate of 4.3% per annum (2023 – 4.1%) and an inflation rate of 2.5% (2023 – 2.5%). The total estimated employee retirement benefit liability at December 31, 2024 is \$1,424,300 (2023 - \$1,343,900) and is included in the accounts payable balance on Statement A. Following is a breakdown of the benefit liability:

	<u>2024</u>	<u>2023</u>
Accrued benefit liability at beginning of year	\$ 1,343,900	\$ 1,307,000
Expense	140,500	135,400
Benefit Payments	<u>(60,100)</u>	<u>(98,500)</u>
	<u> </u>	<u> </u>
Accrued benefit liability at end of year	<u>\$ 1,424,300</u>	<u>\$ 1,343,900</u>

13) ASSET RETIREMENT OBLIGATION

The City owns and operates assets that have retirement obligations associated with them:

Well Decommissioning Obligation:

The Groundwater Protection Regulation provides specific guidelines for decommissioning wells, which give rise to a retirement obligation. The City recognized an asset retirement obligation related to three wells owned by the City that will be required to be decommissioned at the end of their life.

Underground Tank Obligation:

The Storage Tank Systems for Petroleum Products and Allied Petroleum Products Regulations dictate the requirements for the proper removal and disposal of underground fuel storage tanks upon the expiration of their useful life. This legislated regulation gives rise to an asset retirement obligation for the City for any underground fuel tanks they own.

Asbestos obligation:

Asbestos and other designated hazardous materials represent a health hazard upon disturbance and, as a result, carry a legal obligation to remove them when a facility undergoes a significant renovation or demolition. The City owns and operates several facilities that are known to have asbestos which will need to be abated upon retirement.

Lead Remediation Obligation:

Lead-based materials, including lead pipes, lead paint, and other related materials, can present significant health and environmental risks if disturbed. The City has acquired a facility this year, where lead-based materials need to be removed or remediated upon renovation, demolition, or decommissioning of these assets. In compliance with environmental regulations and health safety standards, the City is required to recognize a liability for the cost of removing and properly disposing of lead-based materials when these assets reach the end of their useful life.

As a result, the City has recognized an asset retirement obligation associated with the future remediation of lead-based materials.

	Well Decommissioning		Underground Tank Removal		Asbestos Abatement		Lead Abatement		Total Asset Retirement Obligation
Opening Balance	\$	45,000	\$	52,700	\$	233,100	\$	-	\$ 330,800
Plus Additions		-		-		74,572		61,560	136,132
Ending Balance	\$	45,000	\$	52,700	\$	307,672	\$	61,560	\$ 466,932

14) CONSOLIDATED SEGMENT DISCLOSURE BY SERVICE

The City of Courtenay Consolidated Financial Statements includes the financial activities of various services made available to the community. Following is a description of the types of services included in each of the main service segments of the City's financial statements. A detailed summary of the 2024 revenues and expenses with 2023 comparatives for each segment can be found in Schedule 1 of the accompanying financial statements.

General Government Services

Provide services related to general corporate and legislative administration as well as human resources, information technology, financial management, and revenues received from the Province related to gaming.

Protective Services

Includes services related to providing fire protection, bylaw enforcement, and building inspection to the City, as well as the City's share of expenses related to providing police protection to the Comox Valley.

Transportation Services

Includes the delivery of municipal public works services related to planning, development and maintenance of roadway systems, street lighting, and other public works and engineering related services.

Environmental Health Services

Includes services related to the collection of garbage, recycling, and yard waste, as well as environmental testing and monitoring.

Public Health and Welfare Services

Includes cemetery services and costs related to public and social housing.

Environmental Development Services

Includes services related to planning, zoning, sustainability, and hotel taxes, as well as actions relating to homelessness.

Recreational and Cultural Services

Provides recreation and leisure services to the community and includes parks and facilities that allow for fitness, aquatic, cultural, and other activities for the public to enjoy.

Water Utility Services

Provides for the delivery of water to users and includes the planning, development and maintenance of the City's water infrastructure.

Sewer Utility Services

Provides for the delivery of sewerage removal and includes the planning, development and maintenance of the City's sewer infrastructure.

YEAR ENDED DECEMBER 31, 2024**

PAGE 13 OF 15

15) TANGIBLE CAPITAL ASSET DETAILS

(See Schedule 3 for further details)

Contributed capital assets received and recognized in the year from developers, for various infrastructure works and related land and parks, and recorded in the consolidated financial statements in 2024 is \$1,124,946 (\$3,260,675 in 2023).

Tangible capital assets include land under the City's roads, recorded at a nominal amount.

Art and historic treasures are displayed at various city facilities and consist of paintings, historical photographs, sculptures, carvings, and other cultural artefacts. These items have not been included in tangible capital assets due to the inability of estimating future benefits associated with such property.

16) RESTATEMENT OF 2024 BUDGET

The budget amounts presented throughout these consolidated financial statements are based upon the Five Year Financial Plan approved by Council on May 8, 2024 except in regard to budget amounts for amortization, tangible capital assets, and the use of debt, reserves and prior year surpluses.

The summary below shows the adjustments to the 2024-2028 Consolidated Financial Plan Bylaw No. 3130, 2024 adopted by Council on May 8, 2024 and reflected in these consolidated financial statements:

Adjustments to 2024 Budgeted Annual Surplus

Budgeted Surplus per Council approved Budget	\$ -
Purchase of Capital Assets	34,370,300
Amortization Budgeted	(7,038,200)
Transfer from Reserves	(17,722,600)
Transfer to Reserves	5,414,300
Use of Prior Year Surplus	(4,455,900)
Debt Issues in Financial Plan	(12,426,000)
Debt principle repayments in Financial Plan	<u>986,900</u>
Budgeted Deficit per Consolidated Statement of Operations	<u>\$ (871,200)</u>

17) CONTRACTUAL RIGHTS

Following is a breakdown of contractual rights at December 31, 2024:

Contractual Right with	Type	2025	2026	2027	2028	Total
Courtenay Fire Protection District	Fire Protection	683,230	723,760	815,937	846,861	\$ 3,069,788

18) CAPITAL LEASES

Effective January 1, 2024, the City entered into a 10 year agreement with Emterra Environmental for the use of solid waste carts with monthly payments of \$34,796. This lease is deemed to hold an interest rate of 3.84% which is in line with the Municipal Finance Authority's 10-year borrowing rate.

The required minimum lease payments over the next 9 years are as follows:

2025	\$	417,556
2026		417,556
2027		417,556
2028		417,556
2029		417,556
2030		417,556
2031		417,556
2032		417,556
2033		417,556
Total Minimum lease payments		3,758,008
Less amounts representing interest		584,864
Present value of net minimum capital lease payments	\$	3,173,144

The interest expense for the current year was \$127,909 (2023: \$NIL)

Tangible capital assets of \$3,462,792 have been recorded in relation to the capital lease. Amortization of \$346,279 has been recorded in 2024 and the net book value at December 31, 2024 is \$3,116,513.

19) FINANCIAL INSTRUMENTS

The City, as a part of its operations, carries a number of financial instruments. It is management's opinion that the City is not exposed to significant interest, currency or credit risks arising from these financial instruments except as otherwise disclosed.

THE CORPORATION OF THE CITY OF COURTENAY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

PAGE 15 OF 15

20) SHORT-TERM DEBT

The City has entered into short-term borrowing agreements through the Municipal Finance Authority, pursuant to loan authorization bylaws to finance certain capital expenditures. The interest rate on the borrowing varies throughout the year based on market conditions, and as of December 31, 2024, the rate was 4.05%. Interest payments on the debt are made monthly. The loans are to be repaid over a period of up to 5 years.

MFA Temporary Loan	Borrowing Bylaw Number	Interest Rate	2024
Strategic Land Acquisition	3148	4.05%	2,176,000
Puntledge Sanitary Catchment Replacement	3127	4.05%	2,500,000
