Subject: Letter of support

Dear Mayor Wells

Our Legion (Courtenay Branch 17) wishes to install automatic door openers for our Lounge and Banquet Hall. The automatic openers would be a benefit for any of our guests who require the use of wheelchairs, walkers, or crutches. It would allow disabled guests to have more independence and mobility.

The Rick Hansen BarrierBuster program is offering grants up to \$40,000 to make our building more accessible. The application requires a letter of support for our project which is identified by the title **Courtenay Legion Accessible Doors**. Your letter can be almost identical to the one you wrote for us last year for the New Horizons Grant.

Would you be able to supply a letter of support for us? The application needs to be completed by early March and I cannot proceed to the next part of the application until I receive the letter of support.

Thanks very much for your assistance.

Barb Linton
